

## **A/S Induction task.**

**Research an artist/photographer who inspires you.**

**They could be old or modern, using any media you like, linking to photography.**

The only criteria is that they are someone you can find out information about and fairly well known.

**Hand write a 200 word assignment explaining WHY you choose them.**

**WHAT it is about their work which you like and a small biography about them.**

**\* Choose 3 pieces of their work to show this information and explain what you think the artist is showing/what is the story you see? \***

**Discuss lighting, colour, composition, depth of field, subject matter, your likes and dislikes etc.**

**Some examples of artists you might choose to research,**

Gillian Wearing, Richard Billingham, Bill Brandt, Ansel Adams, Annie Leibovitz, Lichtfaktor, Steve Mc Curry, David Bailey, Man Ray, Robert Mapplethorpe, Muybridge.

Or find your own well known person to research.
