Introduction

Following the issue of results, awarding bodies make post-results services available (see below for details of how these are managed at Ashton Sixth Form College)

If teaching staff at Ashton Sixth Form College or a candidate (or his/her parent/carer) have a concern that a result may not be accurate, post-results services may be considered.

The JCQ post-results services currently available are detailed below.

Reviews of Results (RoRs):

- Service 1 (Clerical re-check) - This is the only service that can be requested for objective tests (multiple choice tests)
- Service 2 (Review of marking)
- Priority Service 2 (Review of marking) - This service is available for externally assessed components of both unitised and linear GCE A-level specifications (an individual awarding body may also offer this priority service for other qualifications)
- Service 3 (Review of moderation) - This service is not available to an individual candidate

Access to Scripts (ATS):

- Copies of scripts to support reviews of marking
- Copies of scripts to support teaching and learning

Purpose of the procedure

The purpose of this procedure is to confirm the arrangements at Ashton Sixth Form College for dealing with candidate appeals relating to any centre decision **not** to support an application for a clerical re-check, a review of marking, a review of moderation, or an appeal.

This procedure ensures compliance with JCQ regulations (GR 5.13) which state that centres must have available for inspection and draw to the attention of candidates and their parents/carers, a written internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support an application for a clerical re-check, a review of marking, a review of moderation or an appeal.

Post-results services

At Ashton Sixth Form College:

- Candidates are made aware of the arrangements for post-results services prior to the issue of results
- Candidates are also informed of the periods during which senior members of centre staff will be available/accessible immediately after the publication of results so that results may be discussed, and decisions made on the submission of reviews of marking

Candidates are made aware/informed by the issue of Examination Handbook in the Autumn Term, a series of tutorials, and a final letter in the Spring before the start of the Summer Examination Series. All information is also published on the online information platform, which students are advised to access.

Full details of the post-results services, internal deadline(s) for requesting a service and the fees charged (where applicable) are provided by the Examinations Department and are available for collection from the first day of published results to candidates.

Centre actions in response to a concern about a result

Where a concern is expressed that a particular result may not be accurate, Ashton Sixth Form College will:

- Look at the marks awarded for each component part of the qualification alongside any mark schemes, relevant result reports, grade boundary information, etc., when made available by the awarding body, to determine if the concern may be justified

For **written** components that contributed to the final grade, Ashton Sixth Form College will:

- Where a place a university or college is at risk, consider supporting a request for a Priority Service 2 review of marking

In all other instances:

Consider accessing the script by:

- (where the service is made available by the awarding body) requesting a priority copy of the candidate's script to support a review of marking by the awarding body deadline OR
- (where the option is made available by the awarding body) viewing the candidate's marked script online to consider if requesting a review of marking is appropriate
- Collect written consent/permission from the candidate to access the script
- On access to the script, encourage the candidate to seek advice from teaching staff to consider if it is felt that the agreed mark scheme has been applied correctly in the original marking and make a recommendation as to whether the candidate should consider a review of marking
- Support a request for the appropriate Review of Results service (clerical re-check or review of marking) if any error is identified
- Collect written consent from the candidate to request the Review of Results service before the request is submitted
- Where relevant, advise an affected candidate to inform any third party (such as a university or college) that a review of marking has been submitted to an awarding body

Additional centre-specific actions:

Where time allows, candidates may be encouraged to apply for a review of marking, one paper at a time and await results, to then determine whether it is necessary to review a second paper within the series, thereby reducing the expense associated with resit costs and leaving the opportunity to review alternate papers if need be.

For **moderated** components that contributed to the final grade Ashton Sixth Form College will:

- Confirm that a review of moderation cannot be undertaken on the work of an individual candidate or the work of candidates not in the original sample submitted for moderation
- Consult the moderator's report/feedback to identify any issues raised
- Determine if the centre's internally assessed marks have been accepted without change by the awarding body – if this is the case, a Review of Results service 3 (Review of moderation) will not be available
- Determine if there are any grounds to submit a request for a review of moderation for all candidates in the original sample

Additional centre-specific actions:

Requests for moderation will need to be discussed and approved by a member of the Senior Leadership Team, and be accompanied by written consent from all members of the cohort.

Candidate consent

Ashton Sixth Form College will:

- Acquire written candidate consent (accepting informed consent via candidate email) in all cases before a request for a Review of Results service 1 or 2 (including priority service 2) is submitted to the awarding body
- Acquire informed candidate consent to confirm the candidate understands that the final subject grade and/or mark awarded following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded
- Only collect candidate consent after the publication of results

Additional centre-specific actions:

Centre actions in the event of a disagreement (dispute)

Where a candidate disagrees with a centre decision not to support a clerical re-check, a review of marking or a review of moderation, Ashton Sixth Form College will:

- For a review of marking (Review of Results priority service 2), advise the candidate a review may be requested by providing informed written consent (and the required fee) for this service to the centre by the deadline set by the centre
- For a review of marking (Review of Results service 1 or 2), first advise the candidate to access a copy of their script to support a review of marking by providing written permission (and any required fee) for the centre to access the script from the awarding body
- After accessing the script to consider the marking, inform the candidate that if a request for a review of marking (Review of Results service 1 or 2) is required, this must be submitted by the deadline set by the centre by providing informed written consent (and the required fee) for the centre to request the service from the awarding body
- Inform the candidate that a review of moderation (Review of Results service 3) cannot be requested for the work of an individual candidate or the work of a candidate not in the original sample

Additional centre-specific actions:

not applicable

If the candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision not to support a review of results, an internal appeal can be submitted to the centre by sending an email directly to the Principal of the Centre, stating clearly your reasons for the appeal. This should be processed at least within 7 working days prior to the internal deadline for submitting a request for a review of results.

The appellant will be informed of the outcome of the appeal before the internal deadline for processing Post Results reviews.

Appeals

Following a Review of Results outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for appeal.

The JCQ publications **Post-Results Services** and **JCQ Appeals Booklet** (A guide to the awarding bodies' appeals processes) will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the head of centre is satisfied after receiving the Review of Results outcome, but the candidate (or parent/carer) believes there are grounds for a preliminary appeal to the awarding body, an internal appeal may be made directly to the centre. Candidates or parents/carers are not permitted to make direct representations to an awarding body. Following this, the head of centre's decision as to whether to proceed with a preliminary appeal will be based upon the acceptable grounds as detailed in the JCQ Appeals Booklet.

To submit an internal appeal:

- An internal appeals form should be completed and submitted to the centre within the time specified by the centre from the notification of the outcome of the review of the result
- Subject to the head of centre's decision, the preliminary appeal will be processed and submitted to the awarding body within the required 30 calendar days of the awarding body issuing the outcome of the review of results process
- Awarding body fees which may be charged for the preliminary appeal must be paid to the centre by the appellant before the preliminary appeal is submitted to the awarding body (fees are available from the exams officer)
- If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre

Centre-specific changes

Candidates are responsible for collecting Post Result Service forms from the Examinations Department.
