

Connecting to Remote Desktop via App (iPhone/Android/Tablet)

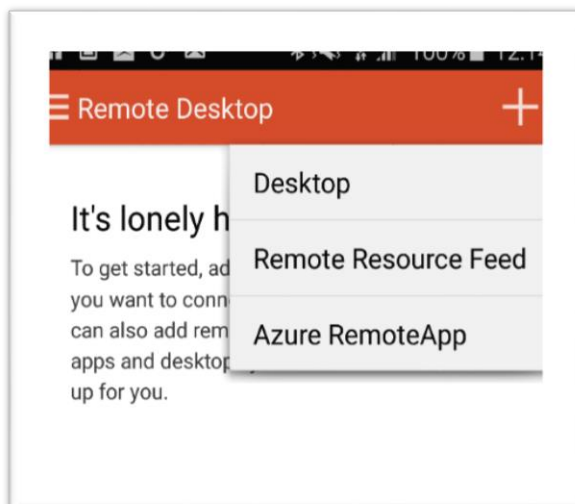

1. Download Microsoft RD Client from respective App store

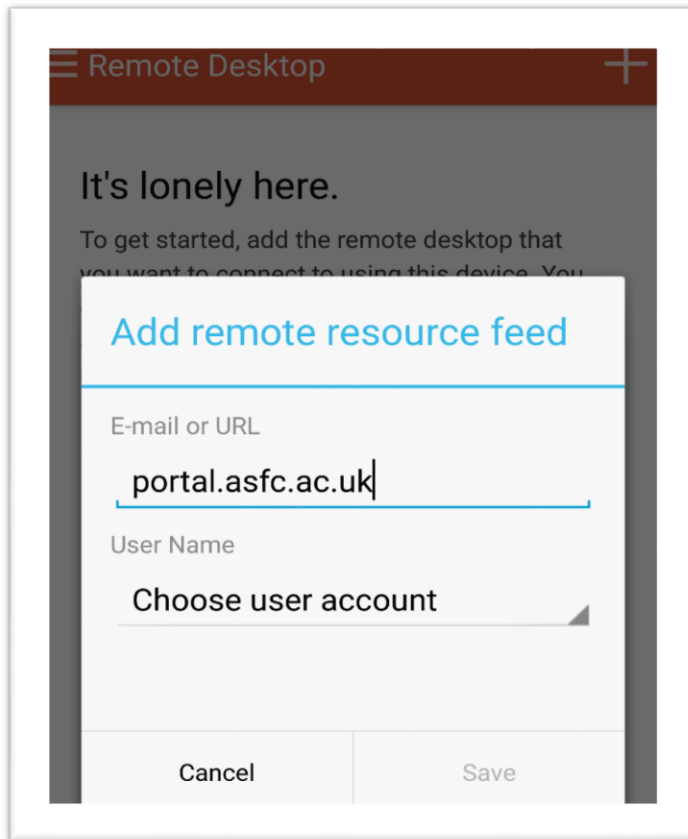

2. After opening the application, you will be presented with the following screen. Tap the + icon in the top right corner.

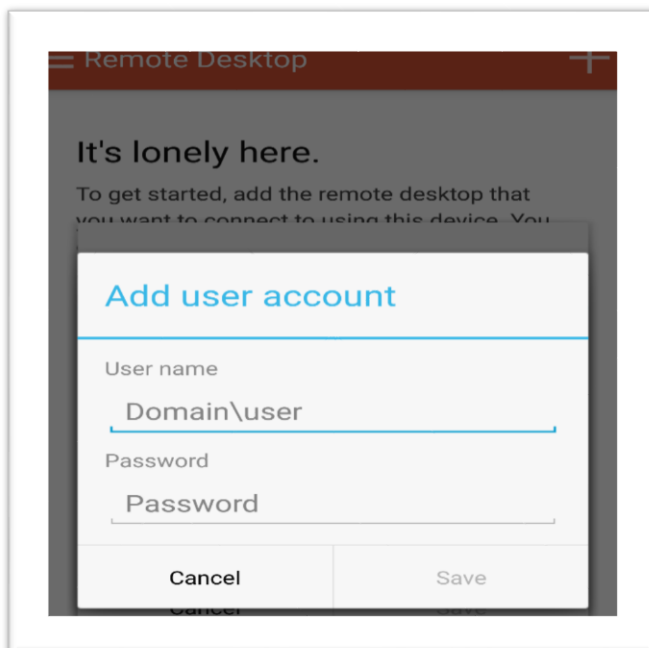

3. The following options will appear. Tap **Remote Resource Feed**.

4. In the popup box that appears, in the **email or url** enter **portal.asfc.ac.uk**. Tap **Choose user account** and then tap **Add user account**.

5. In the popup box. Enter your Ashton Sixth Form College login details in the following format:
User name: email address (eg@asfc.ac.uk)
Password: password

6. Tap save. Select the user name you have just created. Tap save again. The following will now be displayed. Tap the **Remote Desktop** icon to load into your remote desktop.
